TECHNICAL SKILLS

Python, FastAPI, Django, PostgreSQL, Redis, Docker, Kubernetes, CI/CD, Git

WORK EXPERIENCE

TechCorp Inc. - Software Engineering Intern

- Developed and shipped 3 REST API endpoints using Python and FastAPI.
- Optimized PostgreSQL query execution time from 8 minutes to 40 seconds.

PROJECTS

SecureVault - Secrets Manager

- Built a self-hosted secrets manager using AES-256 encryption.
- Deployed full stack with Docker Compose and set up GitHub Actions CI/CD.

EDUCATION

University of California, Berkeley - B.S. in Computer Science
